Dementia Mad Lib

Loved One: Where have you BEEN? I have viruses in my _____ Electronic Device _____, _____ Electronic Device _____, and _____ Elec Device immune to viruses _____!

Caretaker: No, you don't. Remember, we talked about this like _____ number greater than three _____ times? You changed a password somewhere. Are you ready to let me fix it?

LO: You NEVER listen to me, because you're a/n _____ unnecessarily harsh insult _____! I'm sure I have the _____ nonsense word _____ virus and you don't believe me!

C: You might be right- if you'll let me see your devices, I'll see what I can do.

LO: No, _____ curseword _____! TELL ME HOW TO DO IT! I want to do it myself! You don't want me to know how to do it on my own!

C: (takes deep _____ Verb - Present ends in ING _____ breath) Okay, let's start with coming up with a memorable password and changing it on everything.

LO: Forget it, you _____ insult _____ Animal _____ You never want to help me.
