# My Adventures in Halifax

Today was our first day in Halifax. We went to the museum. There was a really Adjective Animal skeleton. There was also a talking Animal named First Name of a Person. My favourite thing to see was the Noun - Plural. They were so Adjective. After the museum, we went for a walk on the harbourfront boardwalk. The Noun was shining, and there were so many vehicle Plural on the water. There were lots of other people walking too. There was also a man playing the musical instrument. His music was so Adjective. We stopped for some ice cream, and I got my favourite flavour, food. Then we went to the Farmer's Market to buy some fresh food. When we went back to the hotel, we went Verb - Present ends in ING in the pool before dinner. Tomorrow, we'll be going to the Discovery Centre. I can't wait to see the Noun - Plural!
