The Swedish adventure

Once upon a time, there were four swedish models. Their names were Michael, Lucas, Tommy, and James.

_____ was a _____ with _____ muscles and mosey. He got all of the chicks. Lucas was a very _____ model. He was the shortest one of the group. Tommy is a _____ . Because he is a ginger. James likes to _____. He makes up _____ dances up on the spot. All four of them just finished a fashion show in Paris. They were driving to Rome in their stretch boughatti , when all the sudden a _____ giant, named joe, jumped in front of them, so they couldn't drive past him. He had _____ muscles, but _____ voice. Michael yelled, "are you _____? We are. all the most skilled kick-boxers in the world!". Joe yelled back, "I'm too thick for you to beat me!". He picked up our car with all four Swedish models in the car, and threw it up high in the air! We jumped out of the car Just in time, because the stretch boughatti blew up as it fell to the ground! We all jumped on joes face and started beating him up with our kick-boxing skills. He fell to the ground, and died. They moved joes body out of the way of the road, so they could walk to Rome. A traveling group of swedish girl models saw us on the side of the road, and picked us up. Luckily, they were also going to the same fashion show in Rome, so we all got to ride together. Michael got the award for best looking/model in the fashion show. THE END!!! ; ; ; ;
