pillow fight

the last time i went to a sleepover a/an Adjective pillow fight broke out of nowhere person name
grabbed his Adjective fluffy Noun and began swinging it at anyone close to him soon everyone
else joined in at one point i got hit right on the back of my body part as soon as i recovered i tossed my
Noun at person name body part but i missed instead i knocked over an expensive
Noun and my pillow split open Noun flew everywhere covering the room in a layer of
Adjective feathers the fighting stopped when we all broke out in Adjective laughter the fun ended
when we realized we had to clean up the Adjective mess
