Vacation MadLib

A vacation is when you take a trip to some Adjective place with your whole family. Usually you go to some amazing place that is near a/an beach or up on a/an lake. A Adjective Adjective place is one where you can ride boats or play in the water or go hunting for Adjective creatures . I like to spend my time swimming or surfing. When parents go on a vacation, they spend their time eating three times a day, and fathers play golf, and mothers sit around reading. Last summer, my little brother fell in a/an hole and got poison ivy all over his legs.
