Alien attack

One day, Gage and Jon _____Past tense verb_____over to Derick's house to play XBOX. It was midnight but they were all filled with a _____Adjective_____amount of energy, because Derick's father and sisters were out of town for the night. Because of this they were able to be as _____Adjective_____and crazy as they wanted.

They played throughout the night and Derick was owning all the noobs on XBOX Live. Derick was winning against his last match witch lasted for what seemed like forever, but Derick wins and they start making fun of this _____Noun_____on XBOX Live. He doesn't take too well and says that he'll come over and shoot him. They all agreed that this was very _____Adjective_____and over the top, but they continued to make fun of the loser because they knew that no one would do such a _____Adjective_____and dark thing.

They got Â bored and turned off the XBOX to go do something else. As they went to do this, they here a sonic boom that makes their ears bleed and a bright light shining out of his window left them all silent. The three of them walked slowly and _____Adjective_____to the the window and they are all left in shock. A spaceships outside of the window!! Just like the comics, it is in the shape of a Â saucer and levitating making a "wooshing"; noise in a rhythmic _____Noun_____. An alien suddenly appears in the room holding what seems like a ray gun. He started speaking... It was very _____Adjective_____and talkative, but they couldn't understand a word it said. It chased Derick and cornered him in his own room, he was held at gun point and started _____Adjective_____crying. The alien said one more word before Gage and Jon busted the aliens head with derricks lamp. It was a _____Adjective_____attempt

to help their friend. Then Gage took the keys from the aliens pocket and suggested they take the spaceship out for a drive. So they did and stopped at a burger king and made the order-taker faint. Then Jon accidentally hits a button and sends them two years into the future and crash into the WhiteHouse. When they get out to look at the damage, a lady is screaming that they killed the president, when they looked at who they hit... It was Donald Trump. You're welcome America.
