# Deerfoot Adventures

Once upon a time, a mighty Woodsman decided to take a trek into the forest. He gathered together his tools, Verb - Present Tense equipment, some food, and warm clothes. He made sure that he had his knife and a flashlight! He spent some time consulting his map and determined that it would be good to hike to a waterfall that also had some interesting caves nearby. Having Adverb made a plan and ample preparations, he called his trusty dog, Zolb, and headed out.
