The Story of Dan & Jaclyn

Dan and Jaclyn met in the Spring of _____
_____ in _____ class while attending _____
University. It was the Monday after Easter when the professor said "everyone _____ your neighbor and
ask them what they did for the _____." Until that day, another _____ had always sat between
them but on this particular day, Dan and Jaclyn were the only 2 _____ in the entire
_____. Dan said "I had Easter dinner with my _____, what did you do?" and Jaclyn replied "
did you know that we have 3 _____ together?". They immediately struck a bond and started
studying with one another and eventually started _____.

Although their paths diverged for a time after college, they found their way back one another. And Exactly
_____ years after they first met, on a quite Monday morning walk along the banks of the
_____ river during a trip to _____, Dan got down on one knee and said "well, I guess
_____ is as _____ a place as any" and asked Jaclyn to _____ him.

Today marks the first day in their next chapter together. Thank you for being such an important _____
in their ongoing story.
