# An Alternate Timeline Ch.1

Day 1: Welcome to your new home.

Do you ever have those Noun - Plural you could never put down, ones that feel like it's the Adjective - Ends in EST thing possible? I had one of those games, however my creative mind got the better of me and Number night, my dreams took me to an amazing world, filled with chaos, friends and even more enemies. The Commonwealth became my home for a long time, many years I spent, Verb - Present Tense it all to save friends who would Adverb change into more, well, I guess you'll find out.

Enough of me Verb - Present ends in ING, you probably want to hear the story.

---

"Goodnight Family member," I say without a clue that I won't see Gender of such family member like Him or her for many years to come. They reply, "Goodnight ," as I go into my room and close the door. I hop into bed and fall asleep.

I suddenly awake to the sound of my Noun, I received a text message from an unknown number and all it said was "Mr. Your Name, please come to the front door," so I get up out of bed still groggy, and I go to the front door. Outside was a Adjective package with the Bethesda logo on the side with my name on the top.

I \_\_\_\_\_ Adverb say "What the hell? I didn't \_\_\_\_\_ Verb - Base Form anything." So I take the package inside and open it.

Inside was a Nuka Cola Quantum and a \_\_\_\_\_ Noun, I grab the Quantum and say "Who would send me a Nuka Cola?" I look at the note and it read "Jacob, choose your friends wisely, they could be your

\_\_\_\_\_ Adjective - Ends in EST asset or your \_\_\_\_\_ Adjective - Ends in EST downfall." I put the note into my

\_\_\_\_\_ Noun and I then feel my phone \_\_\_\_\_ Verb - Base Form and all it says is "Choose your 6 friends" along

with a list of everyone I've ever befriended. So I look down the list and choose my friends: \_\_\_\_\_ Name of person

\_\_\_\_\_ one, \_\_\_\_\_ Name of person two, \_\_\_\_\_ Name of person three, \_\_\_\_\_ Name of person four, and \_\_\_\_\_ Name of person

\_\_\_\_\_ five. Then I came across \_\_\_\_\_ Name of person six, at the time we had problems, but I said "screw it" and

pressed his name. Suddenly, the Quantum began to grow brighter until I couldn't see anything but \_\_\_\_\_ Color

.

White, all I see for \_\_\_\_\_ distance, until I turn right to see all 6 of those friends in a line beside me. I turn my head back and see a vault door, "Vault \_\_\_\_\_ Number" was written on it.

Then a metallic voice came from the door. "All shall choose a number from 1 to 7, no one can repeat any number,

starting from the left, \_\_\_\_\_, pick your number"

"2" I say sporadically. \_\_\_\_\_ chooses "5", \_\_\_\_\_ "7", \_\_\_\_\_  
three \_\_\_\_\_ "4", \_\_\_\_\_ "1", \_\_\_\_\_ "3", and finally \_\_\_\_\_ with  
"6". A screen appears in front of all of us with our SPECIAL stats, however everyone of us had a certain skill  
maxed out at 10. I had Perception, \_\_\_\_\_ with Intelligence, \_\_\_\_\_ with Luck,  
\_\_\_\_\_ had Charisma, \_\_\_\_\_ Strength, \_\_\_\_\_ Endurance,  
and \_\_\_\_\_ had Agility. We then finished off the other stats for each of us and the door opened.  
Everything went black.

---

My \_\_\_\_\_ are now closed, with a sense of comfort underneath me, I'm on a \_\_\_\_\_. I open  
my eyes and see that I'm not in my room like I thought, but I'm in a home that was \_\_\_\_\_. I get out of  
\_\_\_\_\_ and walk to the bathroom to see I've aged. I look around \_\_\_\_\_ and extremely confused  
.

I leave the \_\_\_\_\_ and try to find the living room, only to see a Mr. Handy robot. I feel like I've seen the  
\_\_\_\_\_ before but I don't know where. "Codsworth?" I say \_\_\_\_\_ and the robot turns around.

"Mr. \_\_\_\_\_, I have washed the dishes," he says with his British accent, "Would you like some  
\_\_\_\_\_ this morning?"

"Codsworth I don't know what's going on here, where am I?"

"Sir, are you feeling alright? You're at home, of course, where else would you be?"

I feel \_\_\_\_\_, until a woman comes from the other room \_\_\_\_\_ a child. "  
\_\_\_\_\_, Shawn won't stop crying, can you help me?"

I go over and she hands me Shawn, "Nora?" I \_\_\_\_\_.

"Yes dear?" She \_\_\_\_\_, I come to a sudden realization, I've become the main character.

I \_\_\_\_\_ "Oh never mind, I forgot," I say, then she turns on the \_\_\_\_\_ and goes to the  
news. Then I remember what happens next and \_\_\_\_\_ "Oh no." I turn toward the door to see a man in a  
\_\_\_\_\_ suit and hat walking to it. "Vault-Tec." I \_\_\_\_\_ and I proceed to  
the door and open it.

"Good morning," the man \_\_\_\_\_ Verb - Present Tense "Vault-Tec \_\_\_\_\_ Verb - Present ends in ING."

"Good morning sir. Are you here for my \_\_\_\_\_ Noun into the \_\_\_\_\_ Noun?"

"Why yes, actually. How did you know that?"

"I guess I was working on a \_\_\_\_\_ Noun." He hands me the \_\_\_\_\_ Noun - Plural.

"Just fill those out and I'll be on my way," he says. I go to the \_\_\_\_\_ Noun and fill out the \_\_\_\_\_ Noun with my name and "my family's" names.

"Here's \_\_\_\_\_ Noun," I hand him the papers. "Anything else?"

"No, that's everything. I'm just walk this over to the vault. Congratulations on being \_\_\_\_\_ Verb - Past Participle for the future." And he leaves, I close the door and sit on the couch.

"Anything wrong Jacob? You seem \_\_\_\_\_ Verb - Past Participle about something." Nora asks.

"I'm fine Nora, just worried about this whole Vault-Tec thing."

She comes up and \_\_\_\_\_ Verb - Present ends in S me softly "It's peace of mind knowing we'll be \_\_\_\_\_ Verb - Base Form. It'll turn out fine." I \_\_\_\_\_ Verb - Base Form her back and a \_\_\_\_\_ Adjective tear runs down my face, knowing what will happen when we enter the Vault. I sit with her on the \_\_\_\_\_ Noun and the tv instantly turns to the emergency broadcast station.

"Oh no." I whisper "We need to \_\_\_\_\_ Verb - Base Form, now!" She \_\_\_\_\_ Verb - Present ends in S Shawn and we leave out the door. I see my friends \_\_\_\_\_ Verb - Present ends in ING in a circle around the path toward the \_\_\_\_\_ Noun.

"What took you so long Jacob?" \_\_\_\_\_ Name of person one says, then he sees who I'm with and covers his \_\_\_\_\_ Part of Body. "Oh my."

"Let's go guys!" \_\_\_\_\_ Name of person three says, and we walk to the vault gate.

"State your \_\_\_\_\_ Verb - Base Form!" Says the guard by the gate.

"We need to get into the \_\_\_\_\_ Noun!" I say.

"\_\_\_\_\_ Noun, \_\_\_\_\_ Number adult males, \_\_\_\_\_ Number adult females. Move along." We rush to the vault elevator

"We'll be okay, don't wor-" my speech is cut off by the atomic bomb exploding. And the elevator moves down

before the blast waves could touch us. I put my hand to my Noun "Why do I always Verb - Base  
Form to soon?"

Name of person five starts crying "All those people who couldn't get in." I go over and Verb - Base  
Form her.

"I'm sorry you had to go through that, they are in a Adjective place." She nods her head and I go back to  
beside Nora. The Noun goes stops going down and a large Adjective door opens to the inside of  
the vault.

A man Verb - Present ends in ING a lab coat comes from the top of some stairs, he looks like a Noun  
of some sort. "Verb - Base Form right this way." He says Verb - Present ends in ING us to come up the  
stairs. As we are going up the stairs, I see the staff handing out the vault Number skin Adjective  
suits. We walk over and get a suit each, putting them on.

"Well these leave nothing to the Noun, do they?" I say Verb - Present ends in ING.

"Shut up," \_\_\_\_\_ Name of person four snapped.

"Sorry," I say laughing. We walk down a fairly long corridor to the 'decontamination' pods and I turned to look at \_\_\_\_\_ Name of person one and \_\_\_\_\_ Name of person four, as they've played the game before. They \_\_\_\_\_ Verb - Non 3rd Person Singular Present and begin to get in the pods, along with the rest of my friends. Nora finally gets inside her \_\_\_\_\_ Noun with Shawn and the \_\_\_\_\_ Noun - Plural shut. I step inside my pod and another tear rolls down my face. "I'm sorry Nora." I say before the door closes and the cryostasis clouds my now \_\_\_\_\_ Adjective mind.
