2. Adjective

3. Adjective

Nobody Love

Everybody's looking for that something

No one ever wants to pay the price

Everybody's _____ Adjective of going nowhere

But we ain't going anywhere tonight

I should be more _____ Adjective and tell myself it's not okay

(To feel this good when I'm with you)

I try my best to fight it, say I hate you but I always stay

Woah, woah, woah cause

[Chorus:]

Ain't nobody love, ain't nobody love like you do

Ain't nobody love, ain't nobody love like you-oo-oo-oo do

Ain't nobody love, ain't nobody love like you do

Ain't nobody love, ain't nobody love like you-oo-oo-oo do

Everybody's talking 'bout the next thing

Feel like what they got ain't good enough

But

all I wanna do is release the tension

Bring the conversation back to us

I should be more _____ Adjective and tell myself it's not okay

(To feel this good when I'm with you)

I try my best to fight it, say I hate you but I always stay

Woah, woah, woah cause

[Chorus:]

Ain't nobody love, ain't nobody love like you do

Ain't nobody love, ain't nobody love like you-oo-oo-oo do

Ain't nobody love, ain't nobody love like you do

Ain't nobody love, ain't nobody love like you-oo-oo-oo do

Can we stop all the yelling baby hear me out

I want you here and now

I try my best to fight it, say I hate you but I always stay

Hey, hey, hey...

Yeah, alright, everybody's looking for that new thing

Oh

oh oh, oh oh oh

Ain't nobody, nobody, nobody love

Ain't nobody love, ain't nobody love like you do

Ain't nobody love, ain't nobody love like you-oo-oo-oo do

Ain't nobody love, ain't nobody love like you do

Ain't nobody love, ain't nobody love like you-oo-oo-oo do

Ain't nobody love, ain't nobody love like you do

Ain't nobody love, ain't nobody love like you-oo-oo-oo do
