His \_\_\_\_\_ plural clothing were off before I could \_\_\_\_\_ Verb – Base Form, but he didn't bother with the shirt and left it on. His \_\_\_\_\_ name for P was hard and \_\_\_\_\_ Adjective and so close, just on the other side of the tub's ledge and inches from my \_\_\_\_\_ Adjective mouth. But Coleman had other plans.

"I want you to sit in my chair," I was confused at first but quickly realized that he meant the leather chair in his office.

"But I'm completely wet," I said.

He either didn't hear me or didn't care. He grabbed me by the \_\_\_\_\_ Part of Body, pulled me out of the tub, and guided me in the direction of his office; my wet body leaving a trail of soapy mess on the floor as I we were making our way across the hall.

When we got there, his \_\_\_\_\_ Adjective hands pushed me into the cushions of his office chair, quite \_\_\_\_\_ Adverb I should add, his face dead serious. The leather fabric of the chair felt a little \_\_\_\_\_ Adjective against my \_\_\_\_\_ Adjective skin. Sticky and \_\_\_\_\_ Adjective. Stuck to the chair, I had a difficult time moving my body but found the trapped sensation to be a real turn on. Coleman knelt down in front of me.

"Come closer to me and spread your legs. Spread them real wide," he said.

With quite a bit of effort, I unpeeled my body from the chair and moved my \_\_\_\_\_ Part of Body all the way down. Coleman \_\_\_\_\_ Verb - Past Tense me by my thighs and spread my legs as far as they would go. This made the lips of my \_\_\_\_\_ name for V come wide apart exposing \_\_\_\_\_ Adjective flesh of my very h\*rnny p\*ssy.
