the cycle of my life

I lived with my family until the _____ Adjective _____ Noun _____ came and took them away! The invasion started when Donald Trump came and took over the state of _____ state _____. I now live on my own with my pet _____ animal _____ named _____ animal name _____. We go on adventures together through the _____ Adjective _____ forest.

One day, we met an _____ animal _____ that took our _____ Noun - Plural _____ and _____ Noun _____, so now we run around the forest stealing _____ Noun - Plural _____ and _____ Noun - Plural _____ from other _____ animals _____. We once came across a group of protesters that were planning on capturing _____ celebrity _____, so _____ pets name _____ and I joined the protest. After the plan was made we went out to finish the job. Unfortunately, _____ same celebrity _____ got away and we got sent to jail in _____ state _____. We met a man named _____ name _____ that was planning on escaping from jail the next night, so we helped him. We first climbed out of the THING, then we crawled out of the THING. We made it out _____ adj ends with ly _____, then ran to the _____ place _____, only to have a not so _____ Adjective _____ encounter with the one and only Donald Trump. _____ talking _____ He said _____, or else he would send us to jail again. Me, not very fond of D. Trump, refused, so we outrun him into the _____ place _____, where he couldn't find us. We wanted to live in the woods again, but my dear friend _____ jail friends name _____ turned out to be the one who captured my parents, and he took me with him to his lair where I was reunited with my family _____.
