A Hilarious Night

I heard a horn honk. I _____ Verb - Past Tense _____ out the window by my door, seeing a car. I could see that _____ First Persons Name _____ was in the driver's seat, along with _____ Second Persons Name _____, _____ Third Persons Name _____, and _____ Fourth Persons Name _____. I smiled and stepped outside with a small smile on my face. I loved hanging out with the _____ Nickname for Group of Friends -Like Dude Homies etc _____ from the _____ Town _____, especially this bunch. There was always plenty of amusing moments when you were around this group of people. Although, I was surprised that _____ First Persons Name _____ was driving, considering how lazy he was.

"Come on, _____ Your Nickname _____!" _____ First Persons Name _____ said, calling me by my _____ Number of letters shorter than your real name that your nickname is _____ letter shortened nickname. It seemed _____ insulting adjective _____, but I didn't mind it. I thought it sounded _____ Adjective _____.

"Coming!" I _____ Verb - Past Tense _____ back, _____ Verb - Present ends in ING _____ towards the car. I _____ Verb - Past Tense _____ the door and _____ Verb - Past Tense _____ in beside _____ Second Persons Name _____, with _____ Fourth Persons Name _____ beside him. _____ Third Persons Name _____ was sitting in the front seat beside _____ First Persons Name _____. The car started _____ Verb - Present ends in ING _____.

"Oh wowie! I hope they have _____ Food _____!" _____ Second Persons Name _____ said suddenly, followed by _____ First Persons Name _____ replying that they did.

"Where are we going anyways?" I asked, looking out the window.

"We're going to _____ Restaraunt Name _____. He opened a restaurant up here, and his menu has tons of stuff. Besides, he gives me plenty of _____ Drink _____ to drink too! None of the other restaurants allow their customers to drink whole

bottles of Drink...Hehe..." Sans replied, keeping his eyes on the road. "Besides," he continued, "If I did drink their Drink, they'd probably have a bone to pick with me," he finished, chuckling.

"First Persons Name..." Second Persons Name said, Verb - Past Tense. I was Verb - Present ends in ING. First, puns amused me, and second, First Persons Name was amusing to see frustrated.

"Oh, c'mon, Paps, you don't like my Adjective jokes?" Sans replied, laughing at his own joke and snorting in the middle of it. I started laughing harder, because his snort sounded absolutely Adjective.

Fourth Persons Name was giggling and Third Persons Name was laughing as well. Second Persons Name was shaking his head at his brother.

"I give up on you, brother." He said, a slight smile spread on his face. I could tell that he still couldn't help but be amused by the ridiculous snort. Besides, laughing was contagious. He snickered a little.

"Oh no! We've given Second Persons Name our laughing disease!" I said in between giggles.

"Nonononononononono....WHY, First Persons Name, WHYYYY?!" Papyrus said. "WHAT HAVE YOU DONE TO MEEE?!"

First Persons Name Verb - Past Tense, "I guess I'm rubbing off on you, Second Persons Name.

Finally!"

And with that, our trip became a car full of giggles the entire ride. It was pretty Adjective.
