My p*ssy takes him well. It's used to him. But my a*s just can't do it. He's too big. It's a shame, as I love my a*s being f*cked Adjective and hard. I took another swig of the beer and opened my legs wide. I am well versed at f*cking myself. I've done it since I was 15 and know every crevice of my body. My plural body part ran down my body until they met my cl*t. I past tense verb - ED it making it hard in a few strokes. Liquid started to seep out of me as two of my fingers disappeared inside.

I heard a noise outside and noticed a shadow of a person through the Noun - Plural in the fence. I was sure it was Mr. Smith so I didn't stop. In fact it made me feel Adjective. I took another swig and lowered the bottle down between my legs Verb - Present ends in ING the neck straight inside. Slowly I f*cked my hole with the glass bottle. The way I was seated half laying made the opening hit my g-spot every time it entered me. The beer was splashing up inside my v*gina with every thrust. My moans became part of me and my excitement and intensity rose. I continued to f*ck my nameforV with the beer bottle, my other had working my cl*t, until I closed my eyes and threw my head back in ecstasy and had a massive orgasm.

I heard more noise as I came back into reality. This time I could see Mr. Smith's head looking over the fence. I smiled.

He past tense verb - ED his head quickly. 'Don't be shy!' I called out. 'I know you're watching me another name for masturbate! You'd better be careful with that loaded weapon in your hand.' The shadows had given

him away. I could see he was pulling hard and fast on his more than adequate nameforP.

'Have you had enough?' I laughed as I stood up. 'Again he ducked his head.' I walked into the kitchen and took out the fresh veggies I had bought earlier. I laid myself down on the kitchen bench, my fun tools next to me. My fingers instantly headed back to my nameforV as I spread my legs wide.
