My Duddeh's Birthday

Today is my dad's birthday. He is turning _____ Number years old.

Mum and I are just working on making his birthday cake. It's shaped like a _____ Noun, _____ Flavour

flavoured! I can't wait to eat it.

But before I do any of that, I need to have _____ Meal of Day. For _____ Same Meal of Day, we have

_____ Food Plural and _____ Food Plural, because that's Dad's favourite _____ Same Meal of Day. His card from

me is already written, and his present from me is some undies and _____ Noun - Plural.

We are even playing him a birthday song, and it goes:

'Happy birthday to you

You live in (a) _____ Place

You look like a _____ Animal

And you smell like a _____ Noun!'

It's a bit _____ Adjective for his birthday. But we didn't want the normal _____ Adjective happy birthday song.

We wanted something _____ Adjective!

Since our family is so _____ Adjective, I guess it makes sense that we chose that song.

For his birthday decorations, we have some lovely _____ Noun - Plural on the wall that say 'Happy birthday' on

them. We even put confetti on the _____ Noun - Plural, so when Dad sits down for his _____ Same Meal of Day he

will feel a little _____ Sensation up his _____ Part of Body ONE!

We threw the rest of the confetti around (the) _____ Room in House, and there's still more to go. When he walks

through

the door, I will throw confetti in his Part of Body TWO.

Even my birthday is in Number Amount of Time Plural and Number Amount of Time

Plural. I'm excited for the confetti in my Part of Body ONE!
