# Batman

It was finally time to become the very best. I left my home and ran \_\_\_\_\_ Number miles to the \_\_\_\_\_ Noun.

He only had one Pokemon left. A level 1 Batman. "Ughh" I said. I really wanted a \_\_\_\_\_ Noun. Then as I

began my journey, I ran into a wild \_\_\_\_\_ Noun. I then sent out my Batman and the battle began. Batman used

splash! It had no effect. Pikachu used \_\_\_\_\_ Noun. I then used cut which made the Pikachu \_\_\_\_\_ Verb -

Past Participle \_\_\_\_\_. I threw out my pokeball, and missed and ended up hitting my Batman in the head. It wasn't

\_\_\_\_\_ Adjective to say the least. Then a \_\_\_\_\_ Noun appeared and I ate it, crapped and left the scene.
