bob the lonely man.

First Name of a Person was a Adjective man. he had a good job as a job, and a Adjective Location. he was feeling- ends in ly, single double triple esc. he wanted a type of person. he was adjective- ends in ly. so, he went to a Adjective party one night, and started Verb - Present ends in ING with girls. no one liked him though. so he went the next night to another party. again nobody liked hm. the third night, he went to another one. he Verb - Past Tense and Verb - Past Tense. again, nobody liked him. so, he gave up, and decided to go Location. a gender about his age was the person who helped him. he felt something touch his Part of Body.

years later, they got verb- ends in ed and had Number kids.
