love the way you lie

I can't you what it really is		
I can only you what it feels like		
And right now there's a steel in my windpipe		
I can't but I still but I still while I can fight		
As long as the wrong feels right it's like I'm in flight		
High off her love, from her hate,		
It's like I'm verb - Present ends in ING paint and I love her the more I suffer, I suffocate		
And right before I'm about to, she resuscitates me		
She hates me and I love it.		
"Wait! Where you going?"		
"I'm verb - Present ends in ING you!"		
"No you ain't. Come back."		
We're verb - Present ends in ING right back.		
Here we go again		
It's so insane cause when it's going good, it's going great		
I'm with the wind at his back, she's name		
But when it's bad it's awful, I feel so ashamed I snapped		
Who's that dude?		

"I don't even know his name."		
I laid on her, I'll never stoop so low again		
I guess I don't know my own strength
