Amazonian tribes

Deep in the Amazonian rain forest there are people whose lifestyles may seem a little [_____Adjective_____]. Their homes are made of [_____Noun_____] and they hunt with [_____Noun_____]. They wear [quantifier] clothes and have no [_____Noun_____]. They live as part of the rain forest, moving [_____Adverb_____] and leaving [_____Quantifier_____] traces behind. They are not [_____Adjective_____] but they have no need for [_____Noun_____]. They are so [_____Verb - Base Form_____] that it is likely they have [_____Quantifier_____] had any contact with the rest of the world. As a result, their [_____Noun_____] have been unchanged for centuries.
