The day I saved someone

There I was travelling to the _____place_____ to see _____name_____. While i was driving i saw a beautiful river so I then decided to go have a ride in my kayak. As i was kayaking I saw _____name_____ from the corner of my eye drowning, so i decided to get into the water to go save _____name_____. As i got into the freezing water, i started to swim as fast as i could to get to _____name_____ before it is too late. When i had arrived to _____name_____ i dragged him to the surface, then took him to my kayak and took him to land. I started using CPR on him while i was talking to the hospital worker.
