# If You Could Go Anywhere, Where Would You Go?

If I could go anywhere, I would go to Mars. I want to meet a real space- Animal, and eat space- Food. I hear its really Adjective there, so I would wear Clothes. I'd also hear it's Adjective, so I would bring a Noun. It's really far away, too, so I would have to get there by Vehicle. But I bet it would be so much fun!
