# The Sea

One afternoon I decided to go on a \_\_\_\_\_<sup>Noun</sup> journey down to the depths of Bikini Bottom the place that you have only heard about on t.v.. ^ Well you may ask me why, why would you ever think that you can make it to Bikini Bottom? ^ ;

Well one day I was sitting in my living room watching Spongebob the Movie. ^ If you have not seen the movie then I recommend you to watch it, but if you are not going to watch it then I will tell you a little about what happens in it. ^ King Neptune gets his crown stolen by Plankton and Neptune becomes very \_\_\_\_\_<sup>Adjective</sup> because he needs his crown to cover his bald spot on his head. ^ So Neptune freezes Mr. Krabs for no good reason. ^ ; Then Spongebob decides to go on a \_\_\_\_\_<sup>Adjective</sup> journey into the unknown. ^ Spongebob ^ has to make it to Shell City, which by the way is above the water and it is where the crown is. ^ ; So after Spongebob rescued the crown and saved Bikini Bottom I decided that if Spongebob and Patrick could make it to somewhere above the sea then I could be \_\_\_\_\_<sup>Adjective</sup> and go to Bikini Bottom. ^ ;

That day I bought everything I needed to go to Bikini Bottom. ^ So once I was ready I made a \_\_\_\_\_<sup>Adjective</sup> decision and dove into the water where I found an \_\_\_\_\_<sup>Adjective</sup> amount of salt water. ^ Suddenly I heard a \_\_\_\_\_<sup>Adjective</sup> noise that startled me. ^ It turns out that there was an \_\_\_\_\_<sup>Adjective</sup> amount of sea creatures where I was. ^ I was very \_\_\_\_\_<sup>Adjective</sup> when I walked around. ^ I did not want to hurt anything or \_\_\_\_\_<sup>Noun</sup>. \_\_\_\_\_<sup>Noun</sup> felt like a \_\_\_\_\_<sup>Noun</sup>. ^ Then suddenly a small \_\_\_\_\_<sup>Adjective</sup> plankton shot me

with some type of ray. I then shrunk down to about the size of a sponge. Then once I was that small I made friends with the people of Bikini Bottom and lived there happily ever after.
