The Shire

I should like to save the _____, if I could - though there have been times when I thought the
_____ too stupid and _____ for words, and have felt that an _____ or an
invasion of _____ might be good for them. But I don't feel like that now. I feel that as long as the
_____ lies behind, _____ and _____, I shall find wandering more bearable: I
shall know that somewhere there is a firm _____, even if my _____ cannot _____
_____ there again.
