Job Application

Dear _____ Proper Noun _____ or Ma'am,

I am a _____ Adjective _____ Electrical Engineering student at the University of Florida, seeking to further my education through your internship program. I saw your posting for an Engineering _____ Job _____ on the UF Career Resource Center _____ Noun _____. While I have no relevant _____ Adjective _____ experience, I do have many valuable skills that I learned not only from prior work experience, but also from my academic experience at UF.

While working as a _____ School Subject A _____ tutor, I honed my _____ Adjective _____ skills by locating where a student was having trouble by _____ Verb - Present ends in ING _____ their work. I then practiced my _____ Adjective _____ communications skills by _____ Verb - Present ends in ING _____ _____ School Subject A _____ concepts into _____ Possessive _____ Noun _____ terms. I could bring both of these skills to bare at _____ Company A _____ for any number of tasks ranging from _____ Noun _____ checking to any type of oral or written _____ Noun - Plural _____.

When I was working as a tutor, I worked _____ Number _____ hours and carried between _____ Number _____ and _____ Number greater than previous _____ credit hours. Early on, because I worked and carried a full class load, I had to learn how to _____ Verb - Base Form _____ my time wisely. If I didn't, I would not have been able to _____ Verb - Base _____ Form _____ a _____ Adjective _____ GPA. I am glad that I learned that skill early on, because it has _____ Verb - Past _____ Tense _____ me well, and if I were an intern at _____ Company A _____, I would use it to ensure that all my projects were completed

in a _____ Adjective manner.

I currently work in the _____ Adverb _____ Adjective _____ Noun _____ Lab as a Lab Assistant to Dr.

UF Professor A. While working here, I ensure that all laboratory _____ Noun - Plural _____ is in optimum condition for professors to use. I am also responsible for _____ Verb - Present ends in ING _____ all of the _____ Adjective _____ scattered about the lab. Additionally, I spend much of my time ensuring that Dr. _____ UF Professor A _____ doesn't _____ Verb - Base Form _____ himself. He likes to do that, a lot. When nobody is around, I get to perform my own experiments. These experiments are to see whether it is possible to connect a _____ Noun _____ to the human _____ Body Organ _____. In order to do that, I try to do the same thing to _____ Animal (plural) _____. So far the results have been rather _____ Adjective _____, yet _____ Adjective _____.

Overall, I hope that you can see how, even though I don't have any related experience, I do have many of the skills that you are looking for. I would enjoy having the chance to _____ Verb - Base Form _____ with you personally about my application. If you have any questions, please don't hesitate to contact me, either by _____ Noun _____, or by _____ Noun _____. Thank-you for your time.
