# The Miller's Daughter

Once there was a tiny creature called           Proper Noun          . His parents were           Adjective          , and they wanted him to           Verb - Base Form           princess Eleonore.           Proper Noun           didn't like Eleonore. He had his heart set on           Adjective           Minnie, the miller's daughter. His parents made a great           Noun          , and invited the entire ant kingdom to celebrate           Proper Noun           engagement with Eleonore. At the party,           Proper Noun           did not pay attention to the princess. He spent the night           Verb - Present ends in ING           with Minnie. That is when they           Verb - Past Tense           - they will           Verb - Base Form          , and stay together forever! They ran as quickly as they could to reach the large oak by the           Noun          .           Proper Noun           and Minnie stepped on a           Noun           and           Verb - Past Tense          ! Down to the river they fell!

The entire           Noun           searched for them night and day, but they were nowhere to be found. Everyone was sure they had drowned. Just recently, I heard from someone that they were spotted near Albuquerque. They were floating on a raft, holding each other           Adverb          .
