Goodbye!

Dear Charlie Do your worst Hutton,

Exclamation! I will miss you more than Noun. I feeling that you are leaving. Each day away from you is a/an Noun, each minute a/an Adjective eternity.

You are as nice as a Noun, as handsome as a/an Noun, and as brave as a/an Animal.

You are as smart as a/an Noun and your character trait knows no bounds. AND you are so strong, you could probably even lift a Noun.

I hope you are safe and Adjective during your deployment. Every time I see a/an Noun I will think of you. I will miss you from the bottom of my Part of Body.

Sincerely,

Your Name
