

Logans Dream

1. Anime Character
2. Anime
3. Anime Girl

Logans Dream

It was almost 1:00 am in the morning so Logan fell asleep. His dream started off with him and Anime
character eating an ice cream in the world on Anime. They heard a loud crash so they rushed over to
see what had happened. It was Anime girl, logans crush, who had fell over a spoon. He then woke up
pooping his pants. Probably from seeing his crush.
