Letter from Army Base

Dear, Proper Noun

I am still alive obviously. But army Noun is still keeping Adjective phone from them. They make us Verb camp every morning. We Verb - Past Tense almost all day yesterday and only got Determiner break once or twice. Every time we Verb - Past Tense it taste like rotten eggs. Tomorrow they Modal Verb making us do the training course. Right now we are Verb - Present Tense Adjective to head over to Determiner bunkers. Caption Proper Noun is Determiner really Adjective man with Determiner Adjective attuite. Determiner food here is Adjective - Comparative than yours and that is saying something. I mean it is the Adjective - Superlative in the world. Determiner training here is Adjective - Comparative than Determiner training back East. Determiner boys back East are definitely Determiner Noun boys I have met these guys are Adjective weaklings.

Sincerely,

Cal
