MN Trip

Hello and welcome to Minnesota! I am so glad this _____ Noun is finally here. We have been counting down the days for awhile now and I am smiling _____ Noun to _____ Noun with you by my side once again.

I am sure that this weekend's festivities are going to be _____ Coordinating conjunction, but along with that, I know just spending every day _____ Pronoun with you for the next couple weeks is going to be the fill we both need to keep going until Thanksgiving.

I am so _____ Pronoun for you to _____ Verb and _____ Verb and _____ Proper Noun with Brayden. He has been asking about you non-stop..."bah bah ba ba baaaa ba" is what he is saying, which translates to, "Hey Auntie, when is your _____ Noun and _____ Adjective girlfriend coming? Is she going to be my _____ Noun too someday?!"

Now that you are here, we can enjoy each other's company. Drink _____ Noun on the deck, _____ Noun together, do _____ Noun, sleep (or not sleep) and hangout with Lauren and Bryan.

Cheers to a lifelong "vacation" with the one I love most.

Yours always,

XOXO
