Just A Dream

One day as I walked to school I could _____ action verb something was _____ future verb to change in my
_____ adjective town of _____ Proper Noun _____ Proper Noun _____, I wasn't sure what it was yet but I did figure it
out but here is what happened while I was at _____ common noun I was _____ Verb - Present ends in ING there
_____ Verb - Present ends in ING what that feeling was it was a little fear mixed with so energy and anger. All the
sudden the wind was _____ adjective the whole school and you could hear the lightning crack 5 or 6 times in a
row so we all looked out of the _____ Noun and saw the fire lit tree so my _____ possessive noun called down
to the office to tell them it was on fire then all the sudden there was a _____ adjective _____ Verb - Present ends in
_____ ING, and that's when I figured out it was just a dream!
