# the king and his friends

Once there was a king named \_\_\_\_\_ proper noun that \_\_\_\_\_ past tense verb all day long he loved to \_\_\_\_\_ action verb with his friend the \_\_\_\_\_ possessive noun. He was very \_\_\_\_\_ adjective and \_\_\_\_\_ adjective \_\_\_\_\_ comparing adjective to his other friend . \_\_\_\_\_ proper noun and his people the \_\_\_\_\_ collective noun booga people. But today was a special day Mr. was \_\_\_\_\_ present tense verb. ( \_\_\_\_\_ future tense verb stay happy for the rest of my life). Then the kings scribe (his writer) he said. (My lord I have a question for you witch is best superlative adjective option for the party \_\_\_\_\_ superlative adjective or \_\_\_\_\_ superlative adjective) the king payed no attention to him he continued to \_\_\_\_\_ action verb with his Mr. \_\_\_\_\_ common noun . They played so much that they got old and got jobs and never saw each other the end.
