The Zoo Escape

Once upon a (Article Noun), there was a (Adjective) (common noun)
First Name of a Person . He has (Adjective), and a (Article) (Adjective). First
Name of a Person ran (Verb - Base Form) (Article Adjective). (possession noun)
, wanted to come and (action verb). He trained the (collective) to be nice to everyone. But one
stormy (Adjective) day the animals decided to (action verb) away. (common noun) did
not know their plan and that night the (collective) escaped (present Tense)silently in the night. The next
day the (common noun) notice(Verb - Base Form) they were gone and rushed (action verb)
out to find the missing animals. He found them hidden in the bushes outside of the zoo. First Name of a Person
(possession noun) animals were found hidden in a bush outside of the Zoo. The animals will never run(future tense)
away like they just did. They have done (past tense) this before and it was not
acceptable. The next day they were complaining about how the (Animal (plural)) was better (comparative adjective)
than the (Animal (plural)) plan. Neither one of the plans were the greatest. They
knew that they should not ever run (Verb - Base Form) away again, but they did not like it their at the Zoo.
They wanted to go to a place that felt like home. But they could not communicate (action verb) with
First Name of a Person . This was a huge problem so they came up with a new plan to escape the zoo. That
night there was a new zookeeper watching the zoo so it would be easy for them to escape. They decided to try to
look like the largest (superlative adjective). group of animals they rushed out and ran to freedom the ended
up in a beautiful (Adjective) (Location) and they lived happily ever after except for the
zookeepers
