## How they met

| When Jason and shelly met, shelly was so nervous that she drank 3 vodka sodas. Jason worked                       |
|---|
| with shelly's friend, Amy. Amy told shelly that she thought she hit it off with a guy from her                    |
| work. They met at mellow mushroom with a group of Shelly tried to eat some pizza, but                             |
| was still too nervous, even after all the vodkas. After dinner, they all decided to go a karaoke bar, where Jason |
| serenaded shelly to Britney Spears's Toxic and Boys to Men. At the end of the night, Jason said he wanted to see  |
| shelly again. Afew days later they went on their frist official date to The Brick and the hookah bar. They never  |
| stopped talking after that frist night at mellow mushroom, and the rest is history.                               |
