# Queen Victoria Word Lib

Oh hail the Queen.

Her \_\_\_\_\_Noun was as quick as a \_\_\_\_\_Noun.

Her figure made all maters \_\_\_\_\_Noun.

A delicate flower, ready for \_\_\_\_\_Noun.

Was just what the ol'; chap did.

Oh how our Queen was so \_\_\_\_\_Noun.

She could reach \_\_\_\_\_Noun feet in the air,

Simply by \_\_\_\_\_Noun for glee.

But then tragedy \_\_\_\_\_Noun.

Death

was quite the Noun.

When he took her darling from thee.

Oh how Noun our Queen.
