# NCIS New Orlando

In New Orlando there was a body in the park. So they brought the Proper Noun to the NCIS office. They have a surgeon to see if there was any bullets or anything bad on it. Then the surgeon saw a bullet. Then the boss brought the bullet to Sebastian. Sebastian is a man that search some fingerprints. One hour later. Sebastian Found who the fingerprint belongs to and that means he found the killer.

Then the killer kidnaped a kid and he put the child in his chest. But it was too late. So then he just say "stay here and don't talk ok.then the child. Then the child didn'
