Kick-Butt And Kiss!

There was this really _____ Adjective girl who I finally decided to ask out on a date. It did take me _____ number months to work up the courage, but it was worth it. I got to prove myself as a _____ your gender today.

First, it went kind of _____ negative adjective. The _____ clothing I had on was my favourite, but when she saw them she gave me a look of _____ Adjective. Obviously, fashion isn't everything because she kind of just ignored it. We went on a walk, went out to _____ an activity, and then went to see a performance. It's a really _____ Adjective band I like called _____ negative adjective _____ Noun. She said they sounded _____ Adjective, but doesn't think she heard of them.

Their first song, Night of the _____ Noun _____ monster - _____ monster (plural) Hybrids, began to play.. but when my date saw the lead singer she looked _____ adjective ending in ed ! That's when the lead singer saw us together and yelled _____ Adjective ending in ly OH, SO YOUVE ALREADY REPLACED ME HUH? And I was confused, but that's when I realized that the lead singer was my date's ex. ' We should go ' she said, but when he said YEAH LEAVE, LEAVE YOU _____ insult !! I lost control!

I ran up on stage and swung my _____ body part , but he dodged it and hit me in the _____ body part . That only fuelled my rage ever more because I _____ Verb - Past Tense even harder and he _____ Verb - Past Tense to the ground.

I looked to see through the crowd if my date was okay, and oddly enough she was cheering me on! We continued to fight until the _____ singer promised that he'd be back on day.

Then my date and I made out in my car and I got to grab her _____.
