# Women

Views of women changed drastically from the prehistoric times to Mesopotamia. How women were treated in the paleolithic age.

Wife: Husband did you get any food on your hunt?

Husband: No, but I Adverb died.

Wife: Well when you were away I got us lots of Adjective berries and nuts, and look made a Adjective fire.

Husband: Wow you're awesome.

Wife: I know

How women were treated in Mesopotamia:

Father of Wife:girl, you are to be married to this Adjective man. He is a great match for the welfare of this family, here is your dowry . don't mess things up.

Girl: yes father

Husband: You are my wife now. I provide for this family, I grow food and make the money. You are to stay home and take care of me and the children. You have little rights.

Girl: Okay.
