How to go Hunting

How to go hunting. First you meet at a Noun or a house with all the people that hunt in your area.

Second you go up in the mountain and park your Noun. Third you find a tree to put your tree stand on

or get in your tree stand that is already on a tree. Fourth you tie your Verb - 3rd Person

Singular Present down or put your gun over your back and start Verb - Present Tense. then after you get

Adverb up in your stand you put you Verb or gun on a stick or a nail in the tree. After that you

have to bring the Noun down and and strap Pronoun in so you don't fall out. Then you sit unto

Noun after the sun rises have to start looking around and watch for Noun - Plural. Then if you

see a deer you get your gun or bow then either stand up or just put it on a bar the you Noun after that

you sit for about 5 minutes and then you climb down and go and track it.
