My thought of seventh grade so far

On Pronoun Number	day of seventh grade, I got los	t a lot. I found myself a	t first having to
follow other people because i would	ld get confused. My first day was	Adjective and I	didn't really like it.
Lots and lots of rules to go	and lots of new teacher	ers to meet. I was of cou	arse excited to see my
friends and finally get to start fresh	n with a brand new year with bran	d new faces to memoriz	Ze. Pronoun
think my favorite class is Geograph	hy because I'm really good at it. A	Although my favorite cla	ass is Geography, my
teacher is Mrs.Had	ck because she's really nice, fun, _	Conjunction reall	y cool! Along with
Mrs.Hack, I really like Mrs.Burche	ell because she's also fun and cool	. The Preposition	of seventh grade I
think are that it's easy, there are lot	ts of teachers so you don't get	Adjective with the	same ones, and that
the hallways are nice and big and v	we don't need a teacher to follow a	around all the time. The	down-sides of
seventh grade are that we have to s	share the high school with all of the	ne grades Preposition	us, the bigger
kids like to	around the smaller kids, and also	that there are lots of ste	eps that we have to go
up and down during the day. My fi	irst-quarter special is Gym with M	Is.Murray and it's really	fun too! We have
student council to join so we get to	o organize things for our	Come to think or	f it, I don't think this
school year will be	all too bad after all!
