The Four Clans

_____ Proper Noun raged in the once great country of _____ Proper Noun. It used to be a _____ Adjective country ruled by the king, but sadly once he died his three heirs, James, Jack, and Jason inherited the throne. Once they came into control they _____ Verb - Past Tense over the throne so the country _____ Verb - Past Tense split into four clans, the eldest brother and most _____ Adjective, the middle child was also the _____ Noun (as he had stolen the money of their father), the youngest brother was also the best _____ Noun in the country, and those who did not pick a side were scavengers and rebels. So far James was winning the war, with the army he had at his disposal nothing could stop him. Until a young rebel, named _____ Proper Noun, decided he would end this war so while the brothers waged war on each other as a final attempt to get the throne he put his plan into _____ Noun. The next day the clans of James and Jack were fighting a _____ Adjective battle, but while this was going on there were more _____ Adjective things going on with John. You see he had _____ Verb - Past Participle the rebels and scavengers and convinced numerous others of the four armies to join him as they raided James, Jack, and Jason's _____ Noun - Plural they took everything and while the brothers were destroying themselves they had destroyed their empires. The country of Kyran was _____ Adjective with the brothers gone and John became _____ Noun of the land and ruled good and fair. He even had three _____ Noun - Plural of his own, but when his children were young he told them a twig by itself is weak but twigs together were strong and it was many years before there was war in Kyran again.
