My friend and I

Hi. My name is First Name of a Person. I am age years old. I am a gender. It is very emotion to meet you. My favorite thing in all of the Noun is Verb - Present ends in ING. I love to go to Noun. My favorite animal is a animal. During my free time, I enjoy blank. I don't like blank at all. My best friend's name is First Name of a Person. My friend is age years old. One time, we Verb - Past Tense together. We love going to Noun with each other. Every Time, we have sleepovers at Pronoun house. During our sleepovers, we love to Verb - Base Form and annoy relative. When we're at school, we always get Numbers- plural on our tests. Our favorite game to play is Noun. We love playing it so much, that we could play it for a Amount of Time. My hight score is Number. Blanks hight score is Number. Blank says that his/her hight score is better, but actually mine is. In our place, we work on making a Noun. When it's done, it'll be so Adjective. Then we'll use it to Verb - Base Form before we go to Verb - Base Form. But right now, I need to do my work.
