Pillow Fight

The last time I went to a sleepover, a/an Adjective pillow fight broke out. Out of nowhere

First Name of a Person grabbed her, Adjective, fluffy Noun and began swinging it at

anyone close to her. Soon everyone else joined in! At one point I got hit right in the back of my Part of

Body. As soon as I recovered, I tossed my Noun at First Name of a Person Part of

Body but I missed. Instead, I knocked over an expensive Noun and my pillow split open!

Proper Noun flew everywhere, covering the room in a layer of Adjective feathers. The fighting

stopped when we all broke out in Adjective laughter the fun ended when we realized we had to clean up

the Adjective mess!
