# Finding my Career

Ever since I was 5 years old, I've wanted to become a \_\_\_\_\_ career choice \_\_\_\_\_. My mom is a \_\_\_\_\_ career choice \_\_\_\_\_ and my older brother is going to medical school. One day, my mom took me to the \_\_\_\_\_ Noun \_\_\_\_\_ where she works and I got to talk to \_\_\_\_\_ Noun \_\_\_\_\_ there and they told me their daily routine. The \_\_\_\_\_ Noun \_\_\_\_\_ let me take someone's temperature and enter information in the computer. I can't wait to go to college and finally be able to become a doctor!
