# Billy's Summer of Love

It was a hot summer day in \_\_\_\_\_ Proper Noun- Place when Billy saw \_\_\_\_\_ Proper Noun- Person for the first time.

He looked into his/her \_\_\_\_\_ Common Noun- Thing - Body Part and immediately knew it was true love. They sat in the

\_\_\_\_\_ Common Noun- Place and stared at each other for hours. They talked about \_\_\_\_\_ Common Noun- Thing and

their shared love of \_\_\_\_\_ Common Noun- Thing. Billy even offered to show her/him his \_\_\_\_\_ Common Noun- Thing

collection. But soon the summer was over and Billy had to return to \_\_\_\_\_ Proper Noun- Place to take care of his

\_\_\_\_\_ Common Noun- Thing. Billy left town on a \_\_\_\_\_ Common Noun- Thing- Animal, and although he couldn't say

goodbye it was a summer he would never forget.
