my time in new york

Dear dad,

I met _____ Noun _____ Noun today at _____ proper noun : _____ proper noun with my casting crew. I got my acting suit signed by _____ Noun _____ Noun . I .ran 5 miles with Grant Gustin . I love this cast I work with. We ate ice cream last night. We are making the next season today. They will put it on t.v. in a week. A different thing for me is the suit. Everybody is saying that season 1 is worse then season 2. My casting crew says that I play _____ Noun _____ Noun / _____ Noun then anybody in the set. The person that made my suit carved Nicholas's bow into my bow I used to hunt with.

Sincally,
