All year I'd been planning of ideas. Would I _____ and _____ him? _____ in his seat? I didn't know, and then it hit me, I would let a _____ loose in the classroom. It was perfect! Luckily I had one in my backpack. The end of the day came, and conveniently enough everyone wasn't paying attention because they were watching the _____. So I figured it was time. I asked to go back to my backpack to get something. He said yes, so I went back to my backpack and grabbed the _____. I snuck it back to my seat and waited a few seconds, and then I let it loose. It ran around the room _____. Everyone was in a panic. Kids were _____, _____, and _____ on desks. The teacher yelled, "_____
_____!" Two seconds later it was time to go, I ran out the door while everyone was panicking and went outside jumped in my _____ and went home.
