ClubFEM Philadelphia Mad Libs

Tonight I came to the ClubFEM Philadelphia Naughty Halloween party wearing my Adjective
Noun. It is Adjective and Adjective and since it's tight around my Noun, I just
know the ladies will be love it. Since I made sure my Noun was Verb - Base Form, I figured all the
ladies will love to Verb - Base Form me in my Noun and Noun. So, I made sure my
Noun got lots of Verb - Present ends in ING by putting Noun on it. That did the trick because
all the Mistresses were Verb - Present ends in ING how Adjective it looked.

When I arrived, all eyes were on me as I Verb - Past Tense through the venue. I just knew a Mistress would
want to Verb - Base Form and Verb - Base Form me because my Noun was so
Adjective. I used my Noun to impress them and I think it worked because they kept
Verb - Present ends in ING my ass. To the point that I had to say "Ladies, there's plenty of my Noun to
go around, take a number you Adjective Noun - Plural!" Well, that didn't go over so well and they
took out their Noun - Plural to Verb - Base Form me.

Luckly, Celebrity liked how well to I took Noun - Plural in my ass, so, after the party is over, I
might be going home Same Celebrity and Celebrity, a Adjective and Adjective
Mistress. They both specialize in Verb - Present ends in ING and Verb - Present ends in ING.....exactly what I
have listed on my Fetlife fetish list.

Oh how lucky I was to have clicked 'going" on Fetlife. Tonight I made new friends and will get my

 Noun Adverb-Ends in ED before I turn into a Noun at midnight.
