# Digital Storytelling

It was an Adjective Noun in Proper Noun Proper Noun City. Noun

Verb - Past Tense Verb - Past Participle because Donald Trump just became President. How could someone so idiotic become the Noun of one of the greatest countries in the world?! To fight the depression, a young boy decided to find some breakfast in a tree. It sounds silly, yes, but he decided that was the best thing to do. To eat and forget and then figure out how to live in such a hopeless society. He ate breakfast, went to school, and cried. In all the chaos, he has forgotten to do his homework. Yikes!
