# BA Mad Lib

Dear Full Name of a Person

Thanks for getting in touch with us about your flight to Location on Date. I apologise for the delay in our response. I'm sorry to learn that you were unhappy with Service or Product. I'm also concerned to learn that your flight was Adjective. I can understand how frustrating this must have been for you, especially as this is not the first time you had experienced this. I absolutely agree this isn't what you'd expect from us, especially on a Adjective flight. I do apologise for the inconvenience caused.

We've made improvements to our environment which included spending more on Noun. We've also set up new performance-based contracts with Supplier we are blaming, which helps us maintain our usual high standards.

We've also looked into our own processes to make sure the problems that are reported are dealt with as quickly as possible. We're grateful you've taken the time to tell us what happened, as it's only through receiving your comments we know where to focus our attention. I've sent the details of your complaint to our Customer Experience team and they'll definitely value your insight.

We know there's still more work to be done in this area, but I know you'll see positive changes very soon. We appreciate your support as a EC Status member of our Executive Club. I hope you enjoy your flight with us to Location on Date. Please feel free to contact me directly using the blue link below if I can help you with anything else.
