How To Clean Your Chimney

With Christmas time approaching, it is time to ensure that your chimney is and ready for the
big man to his way through. Complete the following steps to ensure that he is able to slide
into your with no blockages!
Step One: You've Got To Get the Supplies
The supplies needed are, a large, a, a, aladder, and a Christmas
hat.
Step Two: Look the Part
You can't a chimney without looking like a chimney, especially during
Christmas time. You should wear dark clothing so that it is not stained by the falling from above
you. Be sure to affix your Christmas hat firmly to your so as to not lose your spirit whilst
you labor away in the tight quarters.
Step Number: Get In There
The space will be very tight; you may need to and make yourself fit. The entrance will be
high, so place your ladder beneath the hole. Be sure to have someone beneath you to
grasp it. You wouldn't want your ladder to slip out mid-job. Choose your ladder holder wisely;
you

Step Four: Do Your Job
The needed for this job should be the one available to you. Use the
Noun to scrub the inner walls. Depending on how Adverb a fire was lit, there could be
substantial build up in the crevices. Watch out for discharge. It may be and could
cover your face very It is your duty to please that chimney.
Step Five: Make Way For the Big Proper Noun
The Big Man is going to come down your chimney and forcefully, and you're gonna like it. He
is very, so the chimney will need to be greased for his arrival. Begin around
the rim and work your way inwards, lathering the thoroughly. When he pops out the bottom he
should be with chimney lubrication.
After following these steps, your chimney should be prepared for Santa's Adjective
arrival. Have fun when he comes!

wouldn't want to find yourself trapped in the tunnel.
